RELIABILITY

Over 80 million pages scanned. Over 2,000 installations.

ACCESSIBILITY

Text magnifier, high contrast display and audio narration to guide patrons through the scanning process.

SUSTAINABILITY

Over 95% of pages scanned were emailed, saved on USB or sent to Google Drive, saving almost 10,000 trees while reducing paper and toner costs.

SECURITY

Prevents the sending of anonymous emails.

SCANNALYTICS

Graphical reports of usage by device, date/time and scan-to destinations.

2017 Winner of Modern Library Awards. Platinum distinction for Scannx Book ScanCenter. Library Works created these awards to recognize the top products in the library industry.
